Installation Department

Dear Sir/Madame

Our new white vinyl fence was installed today and we wanted you to know how pleased we are with the entire process.

From our initial contact with your salesman, Jack Mandel, of your New Hyde Park office, to speaking with Elisha and Eli at installation and especially with your installation craftsman Tito and his assistant, who have done an absolutely magnificent job, it is so refreshing that we found a reputable company that delivers what they promised, when they promised and exactly as they promised.

Your entire staff are outstanding professionals and I am sure you are very proud of them. We thank them all for making this home improvement a pleasurable experience, something homeowners don't often find it easy to say anymore. But in your company's case, we absolutely say it was a pleasure doing business with you. Your field supervisors stopped by twice to check the work and that is also a very nice thing to see a business doing today. We congratulate you on your operation. We will recommend you to anyone that needs a fence. Feel free to have any potential customer telephone us for a recommendation. You have our number on file.

Again we thank you. We especially thank Tito and his assistant. They are outstanding mechanics. The fence is gorgeous!

Yours truly,

Mr. & Mrs. Stephen Dolan
